

Make Your Own Bookmark

Cut out the template below and tape or glue the two sheets together back to back. Then, follow the instructions to make a bookmark that you can place on the corner of your current read!

Follow these instructions to make your own **HOME BASE** BOOKMARK

1. First, position your 7" x 7" sheet of paper so that this side is face up and the dark blue corner is at the bottom.
2. Make a triangle by folding the bottom corner underneath to meet the top corner.
3. Fold the front top corner of the paper down to meet the middle of the long edge.
4. Fold the lower left and right corners up to meet the top corner.
5. Tuck in the two flaps you just created inside to secure in place.
6. Tuck in the back flap to secure in place.
